Class Descriptions

- Beginners:** For those with no previous Bellydance experience.
- General 1:** For those who have had 1-3 terms of Bellydance or have little- some knowledge of basics.
- General 2:** For those with a minimum of 12 months Bellydance experience with a sound knowledge of more than the basic steps.
- General 3:** For those who have approximately 2 years Bellydance experience and need to be challenged by a higher level. Students should have a good grounding in techniques and the use of props.
- Intermediate:** Usually for those with at least two years of Middle Eastern dance experience or those who are working at a higher level of dance ability. This class will create some solo work as well as improve on technique and refinements of moves and styles.
- Advanced Class (Technique & Choreography):** This class is usually for those with a minimum of 3 years previous dance experience and students will learn complex choreographies and create their own performance pieces. Students require a good knowledge of steps and styles, with advanced techniques taught and revised. This time slot will also be used as rehearsal for performances where necessary. As this class can be small, we cater for the students enrolled and may not always run every week.
- Beginners/Ongoing:** A class for those who have done none-to-some Middle Eastern dance. A general class designed around mixed abilities.
- Folkloric:** A mix of the folk styles from the Middle East. **Term 1 will be Baba Karam, with revision of all Styles: Persian Rice Dance, Persian (classical), Andalusian, Khaligi, Afghani, Fellahin & Nubian!**
- Tribal Bellydance:** A fusion folkloric dance form. A group dance which relies on cues and transitions from one step to the next to create a harmonious dance style. Some Bellydance experience is preferred. NO previous tribal experience is necessary as we will drill and cover all steps needed.
