- General 1:** For those who have had 1-3 terms of Bellydance or have little- some knowledge of basics.
- General 2:** For those with a minimum of 12 months Bellydance experience with a sound knowledge of more than the basic steps.
- General 3:** For those who have approximately 2 years Bellydance experience and need to be challenged by a higher level. Students should have a good grounding in techniques and the use of props.

- Advanced Class (Technique & Choreography):** This class is usually for those with a minimum of 5 years previous dance experience and students will learn complex choreographies and create their own performance pieces. Students require a good knowledge of steps and styles, with advanced techniques taught and revised. This time slot will also be used as rehearsal for performances where necessary. As this class can be small, we cater for the students enrolled and may not always run every week.
- Beginners/Ongoing:** A class for those who have done none-to-some Middle Eastern dance. A general class designed around mixed abilities.
- Folkloric:** A mix of the folk styles from the Middle East. **Term3 will be revision of all Styles: Persian Baba Karam, Persian classical, Andalusian, Khaligi, Afghani, Fellahin & Nubian! New style to be decided by class.**
- Tribal Bellydance:** A fusion folkloric dance form. A group dance which relies on cues and transitions from one step to the next to create a harmonious dance style. Some Bellydance experience is preferred. NO previous tribal experience is necessary as we will drill and cover all steps needed.
